11. Page 20, line 18.

**Following:** "~~section~~"

**Insert:** "(b) After the application of the inflation factor, the brackets in subsection (1) must be rounded to the nearest amount as follows:

(i) for every married individual who makes a joint return and for every surviving spouse, to the nearest \$100; -

(ii) for every head of household, to the nearest \$25;

(iii) for every individual other than a surviving spouse or head of household who is not a married individual, to the nearest \$50; and

(iv) for every married individual who does not make a joint return and for every estate or trust not exempt from taxation under the Internal Revenue Code, to the nearest \$50."

- END -

Explanation - This amendment adjusts the brackets.
